The Employer's Request for Review of the Regional Director's administrative dismissal of the petitions raises no substantial issues warranting reversal of the Regional Director's action. Accordingly, the dismissal of the petitions is affirmed.¹

Dated, Washington, D.C., November 9, 2011.

¹ In affirming the dismissal, we find it unnecessary to rely on *Bloomfield Health Care Center*, 352 NLRB 252 (2008), which was decided by a two-member Board.
